

Arseniy Morgiev

Almaty, Kazakhstan | arpama2305@gmail.com | +7 747 245 30 33

Summary

A Full-stack Engineer with 1 year of experience and a UX/UI designer with 5 years of experience. I build web applications with Python (FastAPI), C++, and React/Next.js, containerize them with Docker, and set up CI/CD. Proficient in Git, Bash, and modern design tools. Focused on improving UX and business metrics.
